Is anyone willing to part with or photocopy a couple of pages from the Aug 91, Feb 92 and Apr 92 issues of Monitoring Times? I tried buying them from Grove but everything earlier than Oct 92 is now history.

I'm interested in the following articles (and will pay photocopy/mailing costs):

Aug '91 - Review of M1000 RTTY decoder
Feb '92 - Articles on Coax and Fax
Apr '92 - Review of ICOM R7100, Article on Active Antennas

Can anyone help?

Thanks,
Seth Zirin
